HOW DO TENANTS PREFER TO PAY?

Stay on top of your collections with automated tasks, helpful reminders, and multiple payment options for your customers to create better monthly cash flow.

GET PAID

- Receive payments via text, email, or pay-by-phone with channel optimized secure payment portals
- Increase Autopay Sign-Ups Month After Month
- Reduce units going to auction by staying top of mind with automated reminders

SAVE TIME

- Automate time-intensive accounting and collection tasks
- Empower customers to self-serve by sending payment without employee assistance
- Smart Routing Tools automatically deliver delinquent tenants to pay by phone options bypassing store teams

SUPPORT MANAGERS

- Promise-to-Pay Exclusions can override payment reminders to cease or resume based on status of paid by date agreement
- Comprehensive reporting for actionable analytics
- Recorded audit trails for each contract, with complete transparency on message delivery, opt-outs, delayed tasks, and more

REACH CUSTOMERS

- Multiple payment options for customers via individually generated, secure links
- Determine which communication channels, messages, and delivery schedules provide best results
- Customize messaging through personalized templates and automate collections with set workflows
